Embrace360 – Pet Insurance Simplified

Embrace Pet Insurance is excited to announce the launch of our innovative veterinary program, Embrace360. This new platform is changing the game for veterinary hospitals looking to integrate pet insurance into their practice by eliminating the paperwork that takes away valuable time from patient care.

What is Embrace360?

Embrace360 is an easy-to-use web-based application that enables veterinary hospitals to offer Embrace's nose-to-tail pet insurance without adding extra work. It integrates seamlessly into the existing practice management system. Embrace handles everything from quick installation to practical staff training to improve the pet health insurance experience for both staff and clients.

What are the benefits of Embrace360?

Benefits for Veterinary Hospitals Include:

- Streamlined electronic claims submission
- Increased client compliance and commitment
- Easy-to-access insights and reconciliation reports
- Ability to offer Embrace courtesy quotes with just a few clicks

Benefits for Pet Parents Include:

- Simplified claims submission—no more printing and submitting paper claim forms
- Ability to confidently say “yes” to veterinarian’s recommended course of treatment
- Peace of mind that comes from reduced financial stress
